

# How to make an Appointment Via the AutoMed AMS Connect Mobile app

1. **Scan** the QR code below and **Download AMS Connect** Mobile App and complete the **Once-off Registration**.

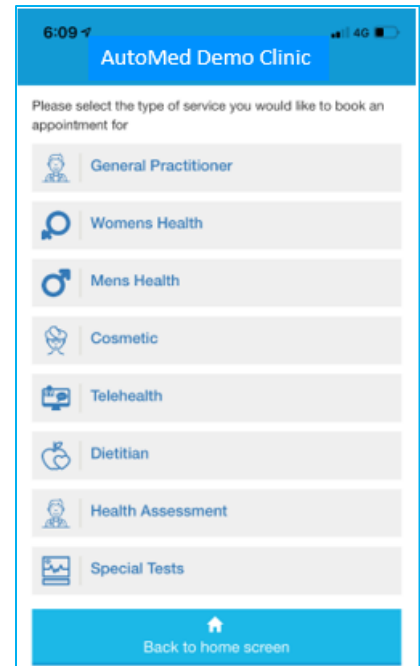

Download the app **AMS Connect** from your app store or scan the QR Code above using your phone's camera, search your Clinic, Tap Select and follow the prompts

2. Enter the App and Select **Make Appointment**

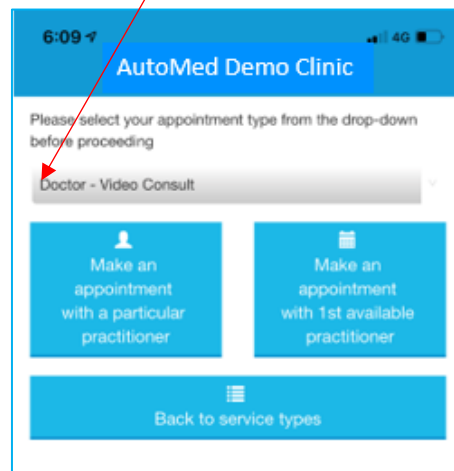

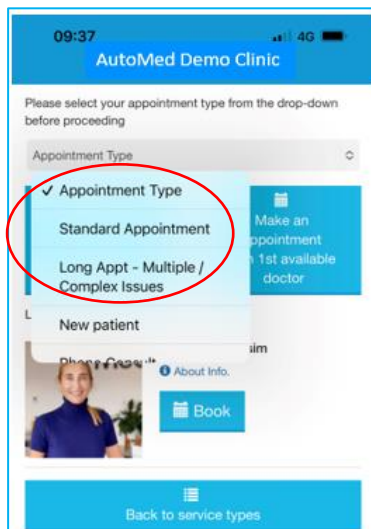

3. Choose Appointment type from the Dropdown and follow the steps to book the appointment.

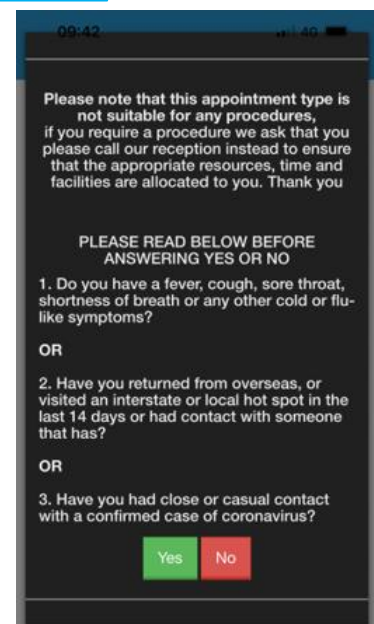

4. **Choose** the Category from the list  
Your clinic may reflect a slightly smaller list.

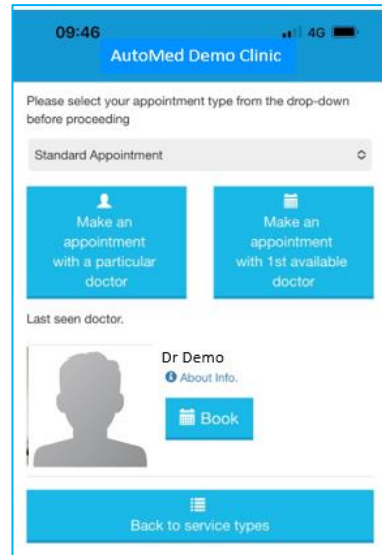

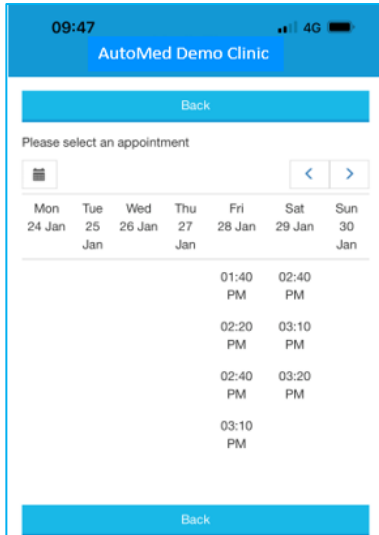

5. **Select** the Appointment Type from the dropdown.  
Again each clinic may have a slightly different list:

6. You will be asked to answer pre-screening question  
This may differ per clinic.

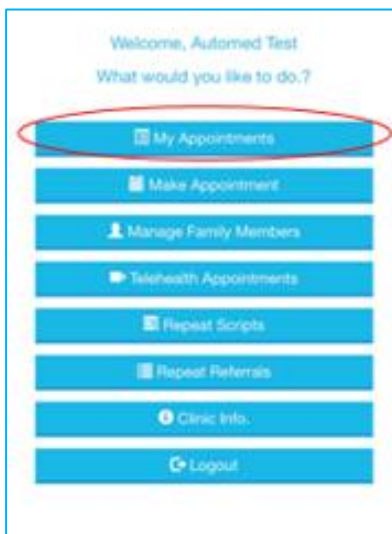

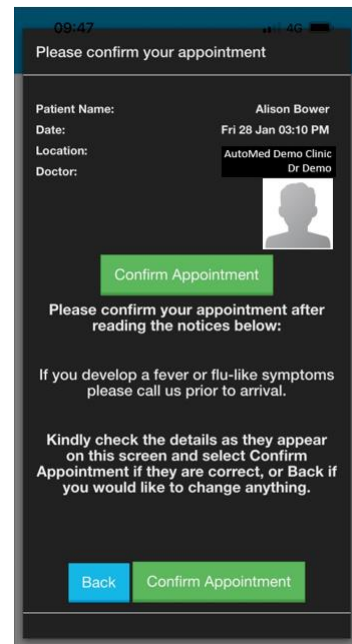

7. **Select** from a Particular Doctor,  
1<sup>st</sup> Available Doctor or  
Last Doctor seen:

8. **Select** Date and Time:

9. **Confirm** Appointment:

10. You will **see** the **Appointment**  
under My Appointments tab in the app.
